

Stephanie Diane Luoma

October 20, 1983 - September 6, 2025

Stephanie Diane Luoma, age 41, passed away on September 6, 2025 at home surrounded by her family. She is survived by her husband Joseph and her 2 children Emma (17) and Wyatt (11).

Her family was her life and they always came first. She is leaving a void that cannot be filled and will be deeply missed.

She was lucky enough to meet her husband and soulmate in high school. They were married October 15, 2005 and together they had a life filled with love, laughter and joy. Their 2 children were her pride and joy! She loved being a dance mom to Emma and a champion to Wyatt and his endeavors. She was their loudest cheerleader!

She would light up a room the moment she walked in. She was loud, outrageous and could make everyone laugh. She was everyone's friend and made everyone feel included & welcomed. Her circle was amazingly huge! Cancer may have taken her but her light will shine on!

A celebration of life will be held at Washburn-McReavy (Eden Prairie location) October 18, 2025. Visitation hours start at noon with a short service at 1:00 followed by refreshments.

We are encouraging those that want to say a few words regarding Stephanie to please do so.

In lieu of flowers, a donation can be made to the GR8 foundation. This is an organization that was near and dear to Stephanie. They supported her and

her family in their time of need and I know she would love to pay it forward.

“ I’ve known Stephanie since 2019 when I worked at AC Marriott. She’s the bartender there and I was an intern. She’s the physical representation of loud, chaotic, energetic and full of positive vibe. She’s so optimistic that you would not thought that she’s going through something. I would always keep in touch to her even if we don’t work anymore. We were both nominated at Bloomington Diamond Award and I was so proud of her when she won, she deserved it. I remember every guests would stop by at the front desk complimenting her or asking where she was. Everyone would just remember her, the bar is not the same without her. She would bring so much life in everyone and everywhere she goes. I followed her journey, she’s very strong and full of positivity. She’s so lucky to have a family that would support her throughout her journey. She’s the best MOM, FRIEND and CoWORKER. I miss her so much.

“ Stephanie was an amazing human being. I have never met anyone like her. She drew people to her with her kindness and sparkle for life. I knew her only a short time but our world would be a much better place if we all treats others like Stephanie did.

Joey, Emma and Wyatt I am so saddened by your loss. She loved you all so much and it was evident. Know that you have a community of support behind you.
