“ *My deepest condolences to the Pozniak family. Stephen was my first best friend and I am shocked and deeply saddened to learn of his passing. Stephen and I shared so many formative moments from the ages of 12 to 15, from seeing "America Graffiti" at the Anoka Theater to talking about sci-fi books (we were voracious readers) to sitting on the Sorterberg Elementary School jungle gym watching Skylab pass overhead. He was a terrific friend and I honor his memory.*

“ *Well,
It was so wonderful to see so many faces that I hadn't seen in so many years.
It was great to see you all.
The Hill, The Dead End. So many places and memories that are now faded of into the past that only linger in our minds.
All of these memories and experiences brought us to this point in our lives and made us who we are today.
Some of us are still here today;some are gone.
Once again, it was great to see all of you and I hope the next time we cross paths it will be under much happier circumstances.*

Love and Luck to you all,

Chris
