“ Dearest Jackie,
I want to express my deepest condolences to you and the boys. Both you and Stephen were so in love with one another and out of that love , you brought Chris and Andrew into this world. That is what Stephen was all about, family. As Stephen use to say, "the whole fam damily." Stephen knew how to touch each and every individial he came in contact with. He loved people, places and the ocean!!!! Stephen and I had a very special relationship, and I will always cherish that. Stephen is now that shinning light we see in our dreams.Our family will forever carry his wit, sense of humor, his passionate laughter, his gentle voice that was so endearing and calm. Stephen always could manage turning a hairy situation into a funny moment. Watching the home movies in Minnesota with all of our family was so healing and it felt good to stay close. Don't stop doing that. Stephen you are loved and always will be. You left a great legacy behind that will follow you. Thank You for being my brother. Jackie, thank you for loving him so much. I love you.
Your Sister-in-law...Lisa

“ Words, however kind,
can't mend your heartache:
but those who care and
share your loss wish you
comfort and peace of mind.
May you find strength
in the love of family
and in the warm embrace
of friends.
Deepest Sympathy

“ Salvato Family, Steve was great manager and mentor to to me. I joined HB Fuller in 1993 and enjoyed working for and with Steve.

He was a tough taskmaster, committed to winning and wanted all of us to be as successful as him.

You are in our prayers.

Regards,

Gerry

“ Oh Jackie, we really have heavy hearts today. With the passing of Nicholas and now Stephen, my mother said with tears today "God must need soldiers, he took Nick and now Steve" the only word that keeps coming to mind is unbelievable that he had to go through this. We send our Love and Prayers, always in our thoughts and remembering the great times at Plum Island we had growing up, where did all that time go? He is on a new journey now but our Memories will be with us forever and Steve will live on in those memories. We will be making a donation to the Virginia Piper Cancer Institute in Stephens name as the family wishes. Love Mary Catherine, Aunt Nora and Francis Alcaro

“ Jackie, Chris and Andrew,

I want you to know that you have been in my thoughts and prayers through this journey. Your husband and father was truly an amazing man that left an unquestionable mark on everyone he met. His spirit will live on in all of us, as will the impression he left on each and every one of our lives.
