

Stephen Charles Slechta

March 19, 1948 - June 10, 2025

Stephen Charles Slechta was born on March 19, 1948 to David Robert and Gloria Ann (O'Malley) Slechta. Stephen passed away peacefully on June 10, 2025.

He is lovingly remembered by brother, Paul (Debby), and sister, Kay, along with nieces and nephews Heather, Eric (Shannon), and Mark (Amy).

Stephen (Steve) attended Hopkins Schools and was captain of the basketball team in high school. He enjoyed hunting and fishing with friends and family members. The Slechta family had property on Thunder Lake near Remer, MN. This cabin holds many memories across many generations of family and friends.

He graduated from St. Cloud State University with a degree in business. He also spent time in the army reserves. As a CPA, he built his career at Control Data Corporation, which was eventually reconfigured , so Steve retired from Ceridian in 2010.

Steve has been a caregiver his entire life, and was always there to help a friend or family member. Over the years, he owned sporty vehicles and a few fast boats. Many of us will never forget riding in his yellow Hydrostream boat and hanging on while racing across Thunder Lake.

Lastly, many of us will always remember Steve's love for his dogs; three generations of cocker spaniels and springer spaniels named Remus and Reggie.

A celebration of life will be held amongst family members on July 24th at Saint

Margaret Cemetery in Minnetonka, MN.

“*Condolences to Steve's whole family. Big hug to all of you. I enjoyed getting to know Steve. His stories were entertaining. I loved hearing Steve's fishing and cabin stories. Also enjoyed his jokes. Steve had a infectious laugh. Wish I could have met Steve when he was younger. Heaven received another angel.*
