“ I only heard of Steve's death this evening. I am terribly saddened. I think back to our childhood together and Steve's (and the entire Sherman family's) love of popcorn at night! It seems like just yesterday that Steve was "changing on the fly" into the net for our Edina hockey team in the state championship. I feel lessened by Steve's passage and am so sad not to have seen him in a number of years.

“ I have known Steve through marriage. From the very beginning, Steve had always had a very kind heart, friendly and fun to be around. I could sit there for hours in conversation with Steve. He was ready to listen and offer help when ever he could. My last conversation was with Steve about one year ago. His biggest concern was about Kinsley and how much he cared for her and wished for her to have a bright and successful future. To me he represented the giving tree that gave and gave but could not give no more. All he ever wanted from life was to love and be loved. Steve, I will surely miss you. I thank God to have given me an opportunity to have met you and had spent some time with you. You can now rest and have lasting peace in God's love. We will meet again. Your brother-in-law. Son H. “ To Kinsley & entire family, you truly had a loved of whom you should be very proud. Steve loved everyone, never met a stranger and would give you the shirt off his back (even his Tommy Bahamas). He was loved by all ages. All of Kinsley's friends enjoyed being with him and that was "their place" to go and have good clean fun. His home was always open to all! You'll surely be missed by all, Steve!
