“ *Deepest condolences, I can't imagine losing a parent unexpectedly. My husband and I are members of Real Life church in Austin and took home a prayer card to pray for your family. May God wrap his arms around you and bring you comfort and peace for your broken hearts. We will continue to pray in the weeks to come. Regards, Nicole & Gus Roesler*

I am one of the three Spears boys who grew to know Steve through my father Mike Spears. Steve was always so good to us, made us laugh, and was very generous to all of us. We all have wonderful memories of him hunting on the Rez with us. I will never forget his huge hugs in greeting and his love to us boys through the years. Rest easy Steve. Thanks for all the great memories. Shadrack Spears.
