“ I am a resident of Oakwood Apartments and knew Steve on a first name basis...he was a friend. He was always glad to lend a hand or help in anyway he could. Oakwood was fortunate to have him as an employee. I am a 78 year old widow, a golfer, used to love to fish and Steve and I shared our love for those two things. Steve even put my new license plates on for me one time...and in return I gave him a restaurant gift card. Mrs. Hellerud I want to extend my deepest sympathy to you and your family. You must be so devastated by your extreme loss. I want you to know that he will be greatly missed at Oakwood. He was a special guy. No one knows that better than you and your children. I'm so sorry.
