“ I think it was 2001 when me, Jimmy Jay and Andy took a trip with LB and Karen to Canada. We were stopped and searched at the border and they drove threw....go figure.
LB thought that was sooooo funny. He was the camp cook. We had fish for breakfast lunch and dinner. It was always great. That week he taught my boys to throw a hatchet.
That was a trip they never forgot. I know LB and my Andy are telling many story's and seeing who can throw the best hatchet. We will miss you big guy!! xxoo

“ All those years and all those memories...hundreds of thousands!
How could just one be appropriate...

*I have endless rolls of Steve videos in my heart
I'll miss his laugh and smile and his ability to block out all the sun
when standing in a doorway...
"The Wrecking Crew" is slowly disappearing...*

Will always miss you Steve..
