“ *Ozrude, thats what I called him. Was a coworker and a friend of my back in the 80"s-90's but lost contact over time. Good guy with good intentions. Epilepsy was his demon but he did his best to overcome. Lost contact with Oz back in the early 90's but never forgot him. I will never forget his laugh and how bouistrious and genuine it was. RIP Oz!*

“ *This is sad.*

Steve was such a sweet soul, and sometimes misunderstood. He had a heart of gold. He always told me I was his "best girl". but I'm sure he said that to all the ladies in his life.

Mel and Lynne, Bruce too, will be glad for his company. Take heart, one and all - he is in better hands now and will never know discomfort again. Rest in piece, my friend.
