“ *I think about Steve often. In the short time that I knew him, I found him to be a man of great depth and character. Someone who always gave others his time, attention, and care. His love of his neighbor was only surpassed by that of his love for his daughter, Ellie. I miss him very much, and wanted his family to know how much he touched mine and so many others lives.*

“ Terry and Pam: It is with great sadness that we learned of your son's passing. He was wayyyy too young, and of course it isn't supposed to happen this way. Myron let Layne (who is in Bethesda Hosp. right now) and Valerie know so together we hope you hear from more in the former Health Partners family. We didn't know Steve, but he was a very special man from the notes we read. We send our deepest sympathy as we keep you in our thoughts and prayers.

Best wishes, Myron and Ginny

“ I met Steve last May when we met at our catering job. I am one of several individuals who do the cooking and Steve would always take the time and make the special effort to let me know how much the artists were enjoying the food. "Bonnie Raitt loves the Walleye!" or "Counting Crows came back for seconds!" And when work would get hectic he would come up behind me and say "Chaka Khan!"

I am deeply saddened by Steve's passing and extend my sincere condolences to his family and especially to his baby girl Allie who he talked about non-stop.

Peace,

“ *Steve had such a great sense of humor... he made me laugh all the time with his funny sayings, jestures, and antedotes about life in general. Steve was my best friend and we shared everything together. An amazing father and friend, he will be missed by many (more than one can count).*
