“ Seeing Steve when coming into work always made me smile. No matter how he felt, he always had a kind word for everyone. The nursing station isn't the same without him sitting outside it. He is already greatly missed!

“ I met you at the long term center. You always had a joke, you would ask me to sit with you at the nurse desk and of course I would. I myself had to return to the hospital the day before your death . I pray you left the world in no pain I will never forget you . you always made smile your in heaven now pain free . love and miss you .
