“ I had the pleasure of working with Steve for 4 years at Roosevelt. What a great guy! I eventually moved to another school in the district, so we pretty much only saw each other at district meetings after that, but he would always greet me with a smile and "Hey, Ricky!" with that great deep voice of his. Gonna miss you Big Guy!

“ Steve had a great deep voice - he used to sing a song Called "Still the one" and do the baritone part perfectly - the summer after he graduated high school. I can hear him sing it now. He was fun to be around, a gifted athlete, a good friend. Many great stories of him and my older brother Brooks and the rest of his buddies from Madison Elementary hanging out. To his entire family - I'm very sorry he has left this earth. Krystal (Becker) Lawson
