

## Mr. Steven Curtis Gunn-Smith

December 16, 1946 - January 9, 2019

Steven Curtis Gunn-Smith

Age 72, of Champlin, passed away January 9th, 2019 surrounded by family. Preceded in death by his father, Gordon H. Smith and mother, Alice Kalbach-Smith. Survived by wife of 48 years, Ann (Chatfield); daughters, Tanya (Matthew) George, Tracey (Michael) Videen, Tina (Joel) Kelly; grandchildren, Sydney, Madeline, Colin and Aiden. Special friends, Carl, Liz, Tynan, Morgan Iddings; siblings, Pamela (Roger) Kvande, Scott Smith, Mark (Jessica) Smith, nieces and nephews. Many cousins across the country.

Steve and Ann were college sweethearts who had just celebrated 48 years of marriage. The most important thing is his life was always his wife and daughters and their families. Steve spent 42 years with the Mounds View school district where he took great pride in his work and his colleagues always appreciated his work ethic and friendly manner. He and Ann spent many wonderful hours as part of the Anoka and Champlin Park Band Associations and traveling with them all over the country; delighted when his grandchildren started in marching band. He has spent the last decade enjoying his most loved past time- SCUBA diving. As a Master Diver, he spent hours within a whole world in which he made a vast array of friends and learned a whole new profession as an educator. His unobtrusive way of helping others has gained him the admiration of many. He will be greatly missed.

Please wear plaid or bright colors.

Donations to Mercy Hospital Foundation.

“ *Steve was a super nice fellow who was totally down to earth and just a real people person. Not only dedicated to family and friends, he served tirelessly in the Mounds View school district to keep the schools going for over four decades. Passionate about education, he knew how to run a school from all angles. We are so grateful that he and Ann have been generously offering up their house for ongoing gatherings of the former North High staff, keeping us all together through the years. We sorely miss Steve and his warm smile; this is a tough loss to accept. We will keep his memory alive, knowing that his presence is always with us.*

“ I meet Steve through our Scuba shop, both Steve and I were Dive Masters and quickly bonded through this shared passion. The two of us did find days we could sneak away for quick dive at local lakes, and when traveling to Lake Michigan we would always buddy up and dive together.

Steve will be missed by myself and the rest of the dive community, he was a great sprit who simply had his candle go out too soon. RIP my friend, you will not be forgotten.

“ Steve was a good neighbor, always eager to help when asked. He is missed and the neighborhood isn't the same without him.
