“ I have lots of great memories of Uncle Steve. I loved how he always shared jokes with Darwin and I. Uncle Steve had my graduation party at his home because my dad lived in an apartment at the time. Uncle Steve and Lorraine took Darwin and I to Red Lobster for a wedding present. That was the first time we had ever been there it was a wonderful experience to experience it with them. This is a few of the great memories we have of him. We are so sorry for your loss are prays go out to the family. Uncle Steve will be greatly missed.
