“ *I was so sorry to hear about Steve. I grew up and went to school with Steve in Blue Earth. We graduated in the class of 1976. He was a great friend who could always make me laugh. I have so many fond memories of him from school and church. We didn't see each other often, maybe at a class reunion, but it felt like you talked with him everyday when you did see him. You knew you were in the company of a great friend. My deepest sympathy to his wife and children, parents and siblings. Cherish the memories...he will be with you always in your hearts.*

“ *My sincere sympathy to your entire family. We've known Steve for the last 5 years by attending the same church. Even though that has been a relatively short time, Steve and Katie always made us feel like we were the best of friends from way back. We will miss his happy smile, as shown on his picture you have appropriately posted. I suspect that is how most people will remember him.*
