

## Steven Dale Sborov

October 15, 1946 - December 26, 2025

Steven Dale "Steve" Sborov, age 79, of Bloomington, MN, passed away on December 26, 2025, following a short but valiant battle with cancer. He was surrounded by his loving family.

Steve is survived by his lifelong and devoted fiancée, Zheryl O'Connell; his son, Jameson Sborov; his daughter, Cori Thielges; his siblings, Michael Sborov (Cornelia), Mark Sborov (Margie), and Merry Gordon (Lowell); his grandchildren, Owen, Tayte, and Kellen Thielges; and many beloved nieces and nephews. He was preceded in death by his parents, Abe Michael and Ingeborg Sborov. Steve was truly one of a kind. He lived life his way-driven, passionate, and always ready for a challenge or a strong opinion. He was a lifelong Minnesota sports fan. With his quick wit and gift of gab he especially enjoyed partaking in friendly banter and spirited conversations. Steve was often the life of the conversation and never short on words. He loved playing golf and spending time with his family and many longtime friends.

“ Steve, WAS one of a kind! He was a caring and thoughtful brother in law. He was always asking questions and interested in our family and all their recent activities. Growing up together, my memory was always that he was surrounded by great buddies and enjoyed being the life of the party! He was loved by all who knew him and will be sorely missed. RIP, Steve! ❤️

*Steve and I shared a love for sports and played all sorts of sports together for many years as we grew up. He was my big brother and I always felt protected by him. I admired Steve as a loving and giving person particularly to his family. His band of buddies were infamous. RIP my dear brother.*

*Steve was a great friend for over 60 years! Fortunately, we reconnected with mutual buddies from the class of '65 to get together at least once a year. On the occasions we did, like the one pictured above, the stories would just keep surfacing. An hour's lunch would turn into two as the laughter would keep us connected. If one of the marks of your value on this earth is the lasting friendships you create, then Steve's was very high indeed.*
