“ *Met Steve a few years ago through my father in law, Pat Comer. We've been to Maui two times with Steve and Diane, and Steve stayed with my wife and I at our Palm Desert Ca home for a golfing get away just last year.... Down to earth, sincere, jovial, kind, and fun to be around are only a few words that describe the easy going, easy to befriend Steve. Our heartfelt thoughts and prayers to Diane and Steves family..He was a good man and will truly be missed..*

“ *Diane - Few guys ever are lucky enough to have a friendship as close as Steve and I had together. Somehow our thought waves were always connected from the days back at Sanford Jr. High until our dinner with you and Cindy July 4th. Our vacations in Hawaii rate with the best ever. I will never have another friend that meant as much to me as Steve. The pain of losing him will be with me until the day I die.*

“ *Grew up in the same neighborhood. Remember Steve as a careful driver, he had a '57 (I think) black Chevy he prized, kept it shiny. Nice guy, good person. Very sorry for your loss. Susan (LeVoir) Léveillé*

“ Hi Diane. Steve and I worked together for many years at Secure Computing on a SmartFilter project and I always treasured his friendship (he was known as Schadfilter here). He was so proud of you and his girls and was so fortunate to have retired young enough to do the things he wanted to do. I think of him so often and will miss his updates. My prayers go out to you and your families as you go through this difficult time.
