“OMG, I'm so, so, Very sorry to read the paper today and see that Steve has passed away. I don't know where to begin to tell you how many sorry's I'm sending to all of you. I am going to try to make it on Friday between my two jobs, but if I can't please know it's not intentional, I love all of you and would never miss this chance to show you my sympathy. Steve was a great guy, every time I saw him he had a smile on his face, and if it was a year in between we would just start off where we left off last time. Please hold so very close all your treasured memories of Steve and forever he will live on in all your hearts and souls. My deepest love, thoughts, and sympathy to all of you.

“ Steve-O, We hope you know that you truly were a part of this family and you will be sadly missed by all of us. Thank you for being such a good partner to Rox all of these years and thank you for bringing so much laughter and fun into this world. You truly touched all of our lives and your memory will carry on with each of us! To my dear cousin, Roxanne. Know that we are here for you, that we love you so much, and we will do whatever we can to help you through the difficult times ahead. I am so very sorry for your loss! Again, I just have to say that I love you! To Steve's Family - I can't imagine what you are going through but know that I am keeping you all in my thoughts and prayers. Hold on to your fond memories of Steve to get you through the days ahead, and know that you have an angel watching over all of you. He would want nothing but the best for all of you and Roxanne. Rest in Peace, Steve. And thank you for being you!
