“ *Mr. St. Martin was more than a teacher to me. He was our neighbor, Ann graduated High school with me and most of all if I was walking by his house and he was outside, he always would want to talk to me. When my grandmother, who lived with us, passed away. He was the first person to offer me sympathy for her passing. He was a kind, gentle spirit. He will be missed. My sympathy to all the family.*
