“ I just found out Steve passed away. I won't go into how I found out two years later. All I can say is I believe Steve went to the Good place. He was my best friend growing up in the neighborhood. To me Steve was like a brother. All I can say he had a good heart and he was like a brother to me. His spirit lives on.

Your the best Steve!

“ My heart goes out to the entire Timmer's family. Children aren't supposed to die before their parents, making the loss even more tragic. Elaine says that Steve "was my rock," but she is the strong center of the family, no matter what.

Sending healing thoughts your way,

“ Rest in peace, Steve. You were a gentle soul that I didn't know well, but wish I'd known better. To Elaine, Rick and Mark, I was saddened to hear about the loss of your son and brother. I hope in the days going forward you will find healing and comfort in your family and friends.
