“ I am so sorry to learn that Steve has passed. I worked with Steve years ago at Gelpé's bakery and he was a lovely man and very funny. I always enjoyed working and spending time with him. I'm glad to learn that he had many travel adventures over the years and a warm, loving family. There are no words for the huge loss you all have suffered. Please know that he was loved and valued even beyond your circle. I hope your memories will give you comfort in your grief.
