

Susie Abbott-Ramirez

December 25, 1947 - November 23, 2023

Susie Abbott-Ramirez of Eagan, Minnesota died on Thursday, November 23rd, 2023 at the age of 75.

She is preceded in death by her parents Harold and Betty Abbott and sister Lynne Pearson. She is survived by husband, Michael Ramirez, and son, Mike (Courtney).

Susie grew up in Glendale, California a suburb of Los Angeles and attended UCLA.

After graduation she joined Continental Airlines and flew with the company as a flight attendant for 43 years until her retirement. She lived in many locations during her career and eventually ended up in Minnesota. Her career suited her well as she loved travel and visiting new places. Some of her most memorable experiences were flying soldiers in and out of Vietnam, chatting with Dave Winfield on a flight, being able to take her family on trips, and having her flight attendant class photo featured in the Air and Space Museum exhibition in San Diego.

Outside of her career, Susie was a vibrant entertainer and loved hosting parties of all types. She was a talented home cook and loved to have extravagant themed dinner parties for friends and family. Holidays always included many decorations and place settings for the season. She also loved attending the events hosted by others, especially if it included the ability to

dress up or wear a costume. Even on family vacations Susie always found a theme and ensured everyone in attendance had matching flare.

Susie was a member of Beta Sigma Phi International, a philanthropic sorority, for 32 years. She is a lover of animals and always had animals in the home. Those who know and love her say she had "the gift of gab" and was able to make people feel comfortable to open up and talk about deep topics. Susie loved well and found ways to make those she cared about feel special.

A celebration of life will be hosted at The Meeting Point (14537 Dodd Blvd, Rosemount, MN 55068) on Saturday, February 17th, 2024 from 11:00AM to 2:30PM.

In lieu of flowers the family has requested donations be made to Gift of Life Transplant House in Rochester, MN - where her son Mike stayed after his heart transplant in 2022. Gifts made in memory of Susie Abbott-Ramirez will go to updating cookware and kitchen supplies in the houses as Susie always believed in the importance of good kitchen tools.
