“ I used to pitch horseshoes with Sue back in the 1990's. Her and I usually were in the same Women's Class at the Minnesota Gopher State Horseshoe State tourney . I remember pitching against her in Hibbing and also Litchfield. She pitched left handed and threw the horseshoe very hard if I remember right. We had some close games. She was a good pitcher averaging 35% ringers . I'm sure she is tossing ringers up in Heaven. Rest in Peace Sue.
