“ I am so sad to hear of Sue’s passing. Such an amazing woman! I worked with her at North Park for years. My deepest condolences to her daughter Jenny and Sue’s sons- she always would tell stories of how proud she was of all of you - I remember her first grand child being born and how excited she was. RIP dear friend.

“ *There were six of us ladies who spent every Wednesday at Silverwood Park when covid hit us. Loved every moment of those four years. We had all worked together and shared a friendship I'll always treasure. As a friend Sue was always the sunshine of our gatherings. We'll be sharing stories for a long long time. Love you Susie Girl.*
