*I just now viewed the beautiful Celebration of Life service for Sue. Sue was a very close and special friend of mine for many years. Our family lived across from the Krmpotich family for over seventeen years. Tom and raised four beautiful, polite children and it was always fun to watch them come and go. Sue loved her family and always shared the latest updates of the kids! Sue was more than giving and had a huge heart. She will be missed.*  
*Sincerely,*

“ *Sue was the most selfless and thoughtful person I have been around. During my young years, playing and hanging out with the boys (and girl!), Sue was always there, ready and willing to support our goals.*

*I will never forget the timeless moments when Sue would talk about her children and the accomplishments they achieved. She truly loved her family, and every friend they had. Sue will be missed.*
