

Susan Alana Sodren

June 25, 1945 - November 21, 2021

Susan Sodren Mac Donald at the age of 76 passed away on November 21, 2021 from complications from Covid 19 at Abbott Northwestern in Minneapolis. Sue Lived in North East Minneapolis, an area that she loved to visit the coffee shops and local stores.

Susan was born in Plymouth, New Hampshire where she finished High School. Sue went to Secretarial school in Manchester NH, and went on to be a legal secretary in Plymouth, Florida, Massachusetts, and Minneapolis. In Minneapolis she bought a house next door to her sister Karen, Harry, and Kevin and 7 houses down from her son's house. She decided to leave the secretarial industry and started her own daycare business out of her home, where she could give the love she had in her heart to others. Sue then found her passion opening a local Coffee shop (Camden Coffee Shop) just blocks from her house. Susan loved the community there and was a very large part of it bringing community together whenever possible. With a heavy heart Sue retired from the coffee shop and helped take care of her very special granddaughter, Analise who was premature and required a little more love and attention. Nana Sue was such a big part of Greg and Analise's lives from then on. Susan loved the ocean and beaches, every chance she got she would just sit on the beach and enjoy the waves of the ocean.

Susan was preceded in death by her father Alan MacDonald, mother Arline

MacDonald (Kimball); brothers, Peter and John MacDonald; sister Karen Stewart (MacDonald); and her beloved dog, Max.

Susan will be deeply missed by her son, Gregory (Vera) Sodren; granddaughter, Analise Sodren; sister, Sandra MacDonald Greenwood; brothers, Kim and Donald MacDonald; and many other loving nieces, nephews, extended family members and her beloved cat Lucy who lives with Greg and Analise now.

“ Sue will be greatly missed by all of us. We loved her dearly. Holiday get togethers, celebrations and cabin time will not be the same without her. Her laugh was infectious and she was always smiling. I admired her spunk, how outspoken she was and her love of family.

“ The United Methodist Women (UMW) at North Methodist Church want to send our sympathy at this time. Sue was a part of our church for several years. She was a member of the Faith Circle of UMW. Having the coffee shop helped the church to have another connection to the community. In addition to hosting some of the circle's meeting, she utilized some of the crafters to make items that she used at the shop to give away during a neighborhood event, Holiday on 44th. She was a friendly and welcoming person who still kept in touch with some people from the church and the community through Facebook. Our prayers are with the family and friends at this time.

“ Susan was like family to us. I will never forget the "Grandma Days" that she would have when Tracie would come to Minneapolis to visit. Sue and Tracie would take Analise and Rylee to the Mall of America for the day or the Minnesota State Fair (depending on the time of year) and they would have so much fun. Sue had the best personality. We have so many memories spending time with her, Greg, and Analise over the holidays. Especially New Years Eve! Sue was always a blast - playing games and having fun all the way up until midnight and sometimes even later! :). She was one of a kind and she will always be remembered in our hearts.

Love,
Brandie and Rylee
