“ Sue had a way of lighting up a room wherever she went and now she is lighting up the room in heaven. We will always be thankful to her for sharing her life with us and bringing such joy and precious memories into our lives. She was a wonderful loving soul with a playful character. She brought smiles and happiness into the hearts of so many people and touched so many lives including ours. She was a teacher of how to live every moment to the best and no matter what suffering and pain she endured she kept a positive attitude.

To Jerry and all your family if there is anything we can do to help you please do not hesitate to call us no matter when. We are so sorry heaven called her away from you and we all wish we could have kept Sue here longer. We too will surely miss her and we will treasure every memory of her. Not only was she to us a Sister, a Sister-In-law, an Aunt, and a Landscape customer but she was also an amazing friend, a confidant, a fabulous gardener, an A-1 bargain shopper and a delight in so many ways. We loved her and we love you all and know your lives have now painfully changed. If we can help you in any way through life ahead please let us know and remember Sue would want you also to take care of yourselves. May your memories, friends and family help carry you through to ease the pain.

To Sue until we meet again, Rest in peace Sue and party hard. You do know how to throw the best parties and entertain. Heaven just got the best server ever.

With love and wonderful memories of Sue and her life well shared. She will live on in our memories forever.
