“ *Suzy was my roommate for two years at SDSU...what fun we did have! We spent many a time looking for a lost contact in the sink at Wecota Annex. She was always so happy to receive a new tailored outfit from her talented Mom. We weren't the best of housekeepers and one time got ever so many check marks for clutter... know that I am sharing your sadness and fondly recalling good memories. May your strong faith sustain all of you through this challenging time.*
