“ So many fond memories of Sue at our church. This morning as we volunteered at the Matthew 25 Food Giveaway I couldn't help but miss her smiling face as she so often volunteered with us. May you feel her dancing with the angels.

“ Sue and I grew up together in Niagara Falls, best friends all through elementary school. Even though I moved 10 or so miles away after grade school,, we remained close friends, even through Sue and her family moved to California when we were in high school. When she and Larry were married, I traveled to California to be in their wedding where, thanks to Larry and Sue, I met my future husband, the love of my life. Sadly living in different parts of the country, we weren't able to see each other much but she was always in my heart where she will remain, my lifelong precious friend. My heart goes out to her family who I know she loved with all her heart and to her sister Judy and family as well. Love you always Sue!
