Sylvia held various occupations throughout her life, as cook, health care aide, and security dispatcher. She continued her education with college classes in topics of Law and she also received certification in computer operations. She enjoyed cooking, travel, polka music and dancing, working on cars and playing cards with friends and family. Her favorite Bible verses were John 3:16 and Psalm 23, and favorite hymns "How Great Thou Art" and "What a Friend We Have in Jesus"

We are grateful for all our family and friends who knew and loved our mom and for their prayers and thoughtfulness during this time of loss.

“ I'm so sorry for your loss ! Aunt Silvia will be missed. Loved that woman deeply. I miss playing cards with her and talking for hours about the family. I never got tired of hearing the stories of times gone past. You would hear the same story's over and over but they always got more interesting with each telling ! lol. My thoughts and prayers are with you all !! Love you my family !!
