“ I have always seen Tammy as a devoted mother through all that she did to home school Dexter and Amanda. Her resourcefulness to engage them in expanding their learning experiences seemed foremost in all that she did. She made sure that they partook of every opportunity that was out there. She always had plenty of ideas on what to do to enrich her children's lives. She wore a smile that reflected that all is well in her household and in the lives that she was gifted with. I greatly admired that about her.

The Freiborg's were the first welcoming neighbors two years ago, when I moved next door. I feel blessed I had the opportunity of having Tami's friendship. She has been one of the kindest, thoughtful - most gentle souls I've known. I smile with memories of us bringing in the New Year together, sharing books, bonfires with wine and great conversation. Ken, Amanda and Dexter - my thoughts and prayers are with you all.

“ I was Tammy, Ken, Dexter and Amanda's next door neighbor for 19 years. We had a lot of fun times and neighborhood get togethers, parties. Tammy was a great mom and I am sad she passed away so young. She was a friend to many and will be missed by me and many. God Bless her family.

“ Tammy was the "taekwon-do mom" at every class, every tournament, every seminar, every testing, from Amanda and Dexter's first white belt class through Amanda's 3rd degree test. She watched my son when he first came home so that I could teach classes, with no remuneration. She was always so thoughtful, sending little gifts and cards and books. I will miss her deeply, and the whole taekwon-do family extends their deepest condolences.
