“ Kaycie, (honey girl) words cannot express how sorry I'am about the loss of your Mom and Dad. They were fun, loving, caring, considerate always thought of others and can't forget goofy at times to be around. I enjoyed all the years with them at the ball fields cheering you, Alli and the team on. All the out of town tournaments. The memories will live on forever. You are a wonderful daughter and have made them proud. You now have 2 angels looking over you, Justin and the kids. May they rest in peace.

Love, Ann

“ Kaycie, You are such a strong woman and wonderful mother, you had a very good role model. She loved you more than life itself and that has made you who you are today. I have no words that can console only fond memories of your parents, I think of them and they make me laugh. "You have done them proud". I can't wait to have a cocktail in honor of Dave and Tammy.

“ Kaycie was sure lucky to have such a wonderful and supportive mom and now your new role as her guardian angel. You were the loudest cheerer at every athletic event. I have so many memories from hanging out at your house, softball tournaments, and who could for get the senior prom taxi ride home. Thanks for being my other mom and for all the advice, laughter, support, and memories. You will be greatly missed. Rest in peace with your Royboy.
