“ *Although we couldn't be there in person to celebrate Tanya's life, we hope you felt supported by how many of us were there in spirit. We feel privileged to have seen Tanya grow up. She was smart, witty, and unpretentious. She clearly demonstrated that a person can be multidimensional, a success in so many ways. We trust that her children appreciate how much she taught them in a life that was too short and realize that their memories will sustain and enrich them as they recall all the gifts she shared with so many. Hers was definitely a life well lived.
Affectionately,
the Kreys*

“ *Tanya was my dear cousin and an inspiration. I remember her many talents -- on the basketball court and with music. I remember her sharp mind and intellect. I remember her kindness to me, always. The last time I saw her was in Brooklyn, when she was passing through, and we spent hours at a bar catching up, and she met my daughter. She was always so easy to talk to and caring and supportive of me and my family. I will miss her greatly. Rest in peace Tanya, and my love and deepest condolences to her family.*

“ *Dave and Family, I'm so sorry to hear about Tanya's Passing. I'm so thankful to have known her personally and worked with her. Early in my career, she served as a mentor to me and several others I worked with. She also introduced me to great people that helped me plan for my future, buy my first house, etc. She will be missed.*
