Barbara and I appreciate the ability to be there in spirit via the webcast. We certainly do remember Ted on the sidelines of Jess's soccer games with Liz, but had forgotten about the Turtle Mochas! All our best to Shirley and the entire family in this difficult time. Such a good man - he will be missed.

Thanks for sharing! I will always remember your Dad as loving, chill but also firm, reminding us who was boss in moments we needed tough love. Your memories of him will live on through each other and his legacy will carry on through his amazing kids and grandkids. Sending all of you love.

“*Ted was a co-worker with me in St. Paul back in the early 80's, and he roomed with me for about a year. He was a caring, gentle man, and I am blessed to have known him. So sorry to hear that he passed.*
