“ *I was truly devastated upon learning that Teresa had passed away! Unfortunately, we lost touch with each other several years ago and I did not know that she was struggling with ALS. I have such fond memories of our friendship. She loved the Country Music Group Alabama and the singer Richard Marx!! We went to the State Fair together all excited to see Richard Marx perform.*

I worked with Teresa at a Law Firm in Downtown, Minneapolis and we hit it off immediately. We discovered that we both grew up in Northeast Minneapolis and went to Edison High School. Teresa had the prettiest smile! It just lit up her whole face.

My thoughts and prayers go out to Teresa's family. May she rest in peace.

“ *Teresa was a good friend. Understanding, caring, wise and realistic.*

We met when we both worked for Allianz - we worked in the same department and many times Teresa helped me to make sense of what to me was a fairly confusing set of procedures.

We followed each other on Facebook. Each time that she conquered some illness or set back, I cheered. I called her Warrior Woman - and she just giggled at me. We had some pretty good talks online also. She knew she wasn't going to beat ALS, but she wasn't going without a fight either. And fight she did! Strongest willed person I have ever met in my life. Definite warrior.

I will miss you Teresa.
