February 7, 1961 - May 27, 2024

Parker, Teresa Christine Fleming "Terri"

Mother, Grandma, Sister, Aunt, Friend, Partner. There are not enough words to describe the person that Terri was to us all. She held us together when we couldn't hold ourselves together. She is missed beyond words, beyond measure, beyond this Earth.

Those who passed before that wait to greet our amazing Terri are her mother and father, Tom and Jean, sister Cindy, lifelong friends Lorna and Norwin, Auntie Val, and countless others.

Here on Earth to hold her memory, all of the love, friendship, support, loyalty and compassion she showed to so many of us are her daughter Melissa, granddaughter Shirley Jean, son in law Jordan, brothers David and Tommy, sister in law Ellen, nieces Maddie and Gabby, her trusted partner, friend, and coparent Keith, her dear friends Julie, Paula, Diane, Jenny, and so many, many more people including her longtime colleagues and friends at MHFA and HUD.

I'm sorry to write this so soon for you Momma, I'm sorry we didn't have more time to drink coke, look at home decor, shop, get pedicures, watch reality TV, go on mom daughter dates, but I know like you do that our souls will never

part. You told me I would never need another friend because I would always have you, and so true you were about that Momma. I will miss you, I'm so proud to call you my mother my best friend my better half. Please be encouraged to wear whatever color you feel best acknowledges my mom.

A Celebration of Terri's life will be held 2:00pm Thursday, June 6, 2024 (Visitation one hour prior) at Washburn McReavy St. Paul Chapel, 536 Snelling Avenue North, St. Paul.

“ Terri was my dear friend for many years. Terri was also a colleague at both MHFA and HUD, where she was thoughtful and kind to everyone she worked with; a go-to person for all things legal and took on every challenge to problem solve for the benefit of others. And she was funny! I feel lucky to have known her and miss her so much!

“ It was a pleasure working with Terri at MN Housing and then I would still work with her through HUD---she is a friend, co-worker and good person. Seems so unreal but they say God takes the good ones early, Terri was blessed. Prayers to you all and your families- RIP. Chris Enel

“ Terri was one of my most trusted freinds. We met Roller Skating at the Skatedium Roller Rink back in the 70s. We lost contact for a while then met up again in the 80s at another Roller Rink the Roller Gardens in St Louis Park. Her passing leaves a tremendous gap in my heart. Our paths just seem to cross at the right times from Skating to Cars to Bikes and Music Melissa, i'm so sorry for your loss, your Mom, my friend, was just awesome. She will be missed.
