“ Terry was the rock that kept ANWI's communications, catalogs, sales force, etc,etc. running so smoothly. Quietly, never ruffled, no matter how overwhelmed she normally was, would always accept one more task with grace and dignity. Our condolences to the Peterson family

“ Our deepest condolences, thoughts and prayers are with Teri's family, friends, pets and of course Tom, her husband. My kids and I fondly remember cheering on the Wild at numerous home games together. Teri and Tom were always gracious and friendly seat neighbors and we enjoyed our time getting to know them and sharing stories during breaks in play.

R.I.P. Teri! Whenever we watch the Ducks we'll think of you.

*Warm Regards,
Jim, Paige and William*
