“ Kids - I added pictures to Paul's file from Carol Hallan as I did not know how to create a new folder. Any adventure Carol wanted to try, she knew she could always depend on Teri to join her..... mom talks about Teri and Tom with love and and smiles.

“ I have many wonderful memories of your mom. Growing up together and sharing special times at parents "Club" gatherings. Teri was always full of energy and up for fun. She had a wonderful personality and made folks feel special. I have memories of church Hi League meetings and outings, car pooling to Minnehaha and special times during high school days. Occasionally we had a chance to connect after high school days, college and marriage but not often enough.

She was a special friend and I know a wonderful wife, mom and grandma. She will be missed.
