“ Pat was such and kind and caring person. Pat would come over to house and we would talk about books and northern Minnesota. He loved Grand Marais Minnesota, classical music, and reading. I loved hearing about his adventures north so much that Joe and I now take an annual trip every spring. Without his nudging, we would have never discovered how beautiful it is. I will miss him.

“ TP was an extraordinary pathologist and friend. His integrity and kindness touched everyone around him, especially small animal medicine interns Gary & Shirley Johnston at the College of Veterinary Medicine in 1974-1975. And ever since. Sending love and condolences to Barbara, Jeremiah and the grandsons.
