“ I was so sad to hear this! I worked for Terry in various roles for over 10 years and had great respect for him personally and professionally. Later in life, I was blessed to bump into him every once in awhile around town, still just as kind and cheerful as I remembered him. My thoughts and prayers are with your entire family.

“ Terry gave me my first job as a favor to my parents, filling the pop and candy machines at his hotel. He paid me \$5.00 an hour and all the pop I could drink/candy I could eat (on premises). That last one took some negotiating.

Every time I saw him later in life we both had a laugh about it, because I'm sure as a 13 year old kid I got the better end of the deal on that one. Ended up working there in different jobs until college. Every time I saw him he had a smile on his face and a cheery greeting ready to go.

What a wonderful, generous soul. You gave so much laughter and kindness through the years. You will be missed. My sincere condolences to all your lovely family.
