“ Terri was always so full of life and energy. A gentler soul you will never find. It had been many years since we had talked but when we finally connected it was if I had never been gone. In life she gave me more than I could ever repay a connection back to a family I thought I would never have again. I love you Terri and you will be remembered. Your Uncle Ben

“ I’m so sad at the loss of Terri. I met her when she was two years old! She turned into an amazing adult and caring human. So sorry that John and Laura have to process a tremendous amount of much grief. Those who knew her will miss her very much. Karen Major Owen, her aunt.
