“ *Scott, Todd, and Brett and family. I am so very sorry for the loss of your father. He was such a good husband, father, and grandfather, and friend who loved his family and life. He will be deeply missed by many including me. My thoughts and prayers are with each of you during this difficult time.*

*I worked with Terry for many years prior to his retirement. Terry was the manager of the Custom Applications Group in the factory. He was a great guy to work with, and to know. He was always dedicated to doing a first class job at all times, and he insisted that the people working for him did the same. We worked on hundreds of unique "special projects" for Cummins/Onan customers, including a \$43M project over the span of 10 years so for the U.S. Military. This picture (from the early '90s) was taken to acknowledge an award we got for being "customer focused" in the early stages of this project. Terry was one of the best people I ever worked with at Onan/Cummins. My condolences to his family for their loss.*

“ I have known Terry since we were small kids, but over the years I lost touch with Terry. Ellen is sister, called me yesterday to tell me Terry had passed away. I was so sorry to hear the sad news. He looks a lot like he did when he was a kid.. Terry, Ellen and I lived two door away from each other growing up on Stevens Ave S. Terry was kind of like having another brother, and Ellen was more like a sister than a friend. I remember Terry as being a very nice kind person. I don't think I ever saw him get angry. My condolences to Terry family. Shirley (Dale) Tuma
