“ Terry was a warm and giving human, beloved by many! He was a wonderful uncle to his nieces and nephews. His nieces, Sirena and Raquel Powell, have been grateful for all the time and attention, including recently helping with an injured horse and helping with moving and gifts. We all shared a wonderful Thanksgiving and will cherish his dear memory. He was a wonderful friend and brother-in-law and could always be counted on to help and give wise advice. We love you and miss you!!
