“ Dennis, My deepest condolences to you and Terry's family. I know the love you had for her, and she for you, will forever remain embedded in each other's hearts and soul. Her battle, which she fought valiantly, is over and with it the pain. Your devotion to her was inspiring and the stuff that poetry emerges from. May God wrap her ever loving arms around you during this difficult time and keep you strong. If I can help you in any way, please don't hesitate to ask. May time work it's magic. Your friend,
