“ I attend Pax Christi and volunteer at Friendship Village for a variety of Catholic activities, including as a presider at the Tuesday Communion service as well as a Catholic Visitor and knew both your mom and dad. Despite her problems with communication, your mom did the set up for services on Tuesday - almost always dressed in her summer clothes since it was always about 80 in the room - and with a sweet smile and attitude. As a Catholic Visitor, I was one of many who took her communion on a weekly basis. She was always happy to see me, her room was incredibly tidy, and we would admire her glass animals, the stuffed ones, the picture of the cabin, whatever puzzle was out, and the state of construction outside. I last visited and gave her communion on March 3rd right before the shutdown. She and all of those at Friendship Village have been in my prayers during the shutdown and for all the family members who were unable to visit. I am so sorry for your loss. It was a lovely mass for your mom - may she rest in peace.

“ Terry Ann Wilharm, age 84, of Bloomington, formerly of Edina passed away on May 19th, 2020. Terryl was born and raised in ND. She graduated from NDSU with a degree in Home Economics. It is here where she met Chuck and married him in 1958. Terryl worked as a dietician up until they were blessed with 4 children. Terryl was a faithful servant of God and enjoyed playing in her many bridge clubs, volunteering at church, and gardening. She also had exceptional cooking/entertaining skills. Terryl and Chuck loved spending summers at their lake cabin. In her later years she liked to spend time with her 6 grandchildren, going to their activities. In 2012 Terryl was diagnosed with primary progressive aphasia, which gradually took away her ability to communicate verbally. She had a strong will and was determined to be successful at living on her own after Chuck died. She succeeded for 2 ½ years until she made the move to memory care where she was able to just let go and allow others to care for her. In her new surroundings mom was comforted by her stuffed dog and lamb and she took great pride in keeping them safe. Terryl will be missed greatly by her children, grandchildren, and friends who loved her dearly.

What a beautiful tribute to Terry. My friend Jack and I spent some time with Terry and Chuck in Palm Desert during the Winter of 2015. Sweet memories are forever. Please accept my sincere appreciation to all of your family for this lovely video. Sincerely, Diane Hempel
