“ Inspiring...

*About an hour after hearing of my Dad's passing, I was sitting next to the window at my desk, I put my head down in sorrow. All of a sudden, out of a gloomy, cloudy day, it started to get brighter and brighter. It was the sun, but this was different. It became brighter than I have ever seen, and even with my eyes closed, I had to turn my head. Then I sensed a message, "I have him and he is okay"... it was my Mom. Then, as quickly as it came, the brightness went back to normal.*

*Two days later I was at work, waiting for a print to complete. Standing over the work table, I bowed my head for a moment, wondering why I don't feel as sad as I should be. Then I saw this vision of a person about 5'11" maybe 230 lbs. He was not a weightlifter, but in extremely good shape. I could sense an amount of perfection that blew me away. It was my Dad! Then I heard him say, "You were right". And I knew he was speaking of the stories I told him about Jesus and the Bible. It was simply amazing! Then he gave me a message, I am suppose to share all this knowledge with my siblings, so that one day we could all be together again.*

*Do not shun religion, for it still keeps people from evil, but have faith in Jesus. Continue to spread the word of the Bible and the belief that Jesus came to die for our sins, for those two things are the key to life, and ultimately get you into Heaven.*

*One day we will all be together in paradise.*
