

Theresa Marie Happ

September 4, 1963 - December 29, 2025

Theresa Marie Happ

God's gift to Kenneth and Margaret (Boys) Happ on September 4th, 1963.

Throughout her life, she was a kind, considerate, and friendly to all who met her. Most of her life was spent in Minnesota, where she attended Eisenhower High School, College of St. Thomas, and the University of Minnesota School of Nursing. Most of her 40-year nursing career was at Abbott Northwestern Hospital in Minneapolis.

You want to have a successful "get-together"? Invite Theresa. Usually late, she'll always bring her blue and white cooler, full of homemade goodies. These recipes will live on - her nursing friends will see to that.

Theresa's life was graciously extended through her cousin, Barb Boys, who shared her liver (a live donor transplant). Her medical challenges also included Type 1 Diabetes, colon removal, and what finally forced her to retire; short-term memory loss.

The Lord called her home on December 29th, 2025. Theresa is survived by her dad; brother Michael and spouse Donna; nieces Jennifer and Monica; and grand-niece Claire. Both sides of the family include cousins, uncles, and aunts. To know Theresa was a blessing.

The memorial service will be Thursday, June 4th, at Church of the Annunciation, 509 West 54th Street, Minneapolis, MN. Visitation will be at 10:00 a.m., the service at 11 a.m., and a luncheon to follow.

We are looking forward to your attendance.
