“ Theresa and Vick were good people and would do anything for anyone if they could. When our son Mark moved to Minneapolis they were right there to lend a helping hand and be a friend to Mark. We thought that was wonderful and never worried about him being taken care of. He will miss Theresa, as we all will, and we all pray the best for Vic. We all know that God knows what's best and when he whispered "Come with me", Theresa was taken to a much better place and is free from pain and suffering. For that we must all be thankful.

God Bless you all,
Terry and Karen Page

“ Theresa was a good friend. I will miss her sense of humor and her laugh. She always had a way to make you feel comfortable. We had been friends for a long time. She was always one you could count on. A true friend. And nobody ever kept time quite like Theresa at the Page Bowl games! Go in peace my good friend. One day I will see you again.

In His hands,
Mark Page
