

Theresa Marie Sancilio

May 30, 2015

Theresa Marie Sancilio passed away peacefully at home surrounded by her beloved family on Saturday morning, May 30th, 2015. Theresa, known as Terri, was born on October 6th, 1937 in New York City. She was preceded in death by her parents, Frank and Angelina, and her brother, Leo. Terri is survived by her husband of 58 years, Phil; sons, Michael (wife, Suzanne) and Robert (wife, Tina); daughter, LeeAnn (husband, Mike); sister, Margie; and grandchildren, Philip, Amelia, David, Rina, Taylor and Tanner. Terri graduated from Newtown High School in Corona, New York, and went to work for the Department of the Navy. Terri later became the office manager of an accounting firm on Long Island. Terri was an avid reader, excellent bowler, active parishioner and officer in the Order Sons of Italy in America. Most of all, Terri was a wonderful and cherished member of her family. She was a devoted wife and daughter, loving mother and grandmother, and a considerate, generous and thoughtful sister, aunt and friend. Terri will be missed immeasurably by all her family and friends; however, her loving and gentle spirit will live on in the hearts and minds of all who knew her.

Funeral services will be held at St. Odilia Church in Roseville on Wednesday, June 3rd at 2pm.

“ It is at times like this – when the heart is surrounded by sadness – that God gives us the strength to carry on by flooding our minds with fond memories of our loved ones. How lucky I am to be the oldest and to have so many memories of Aunt Terri to hold onto, today and forever.

How lucky we all were to have Aunt Terri, Uncle Phil and our cousins Michael, Robert and LeeAnn as our “second family”. The trips to the beach or to the ball game. Vacations spent at each other’s homes, three or four of us crammed into a bedroom on those hot summer nights – but wide awake because it was just too much fun to waste on sleep. The fun. That is what I shall remember the most; for Aunt Terri was always fun. She knew more party games than anyone I ever met.

And there were the quiet times, too. The times when we just sat and talked for hours. About movies. About books. About life. There was never enough time to cover everything. Never. The clock always caught up with us. And so, too, has the clock caught up with us today.

I will try not to feel sad, but forgive me for my tears; because that is how it feels when you lose someone who was your second mother. My life was made bigger for having known you, and smaller now that you are no longer in it. I shall miss you so much, Aunt Terri.

Your nephew, Joe

“ To dear Phil, the Sancilio children, Margie and all the family.

I would like to express my deepest sympathy on behalf of the LoPresti family.

Terri was a truly lovely and gentle lady. She will be greatly missed. My sister, Joan, and I were so pleased that Terri and Phil were able to join us last summer on the North Fork. We had a special lunch right on Long Island Sound. We spent the time talking and laughing about the old days during our childhood family visits.

Terri had kindly put together a family tree derived from conversations with her Mother. It is something we will treasure always.

*Terri, you are a very special Cousin.
Love and Gold Bless,
Marilyn LoPresti and family*

“ My dearest friend Terri (with an "I") I will always remember you with a smile and cherish the fun times we had as members/officers in the OSIA. My favorite is when after our annual dance, you went home and put your corsage in the freezer and I put mine in a glass of water only to find out days later they were artificial. I still laugh out loud when I think of that. That was only one of the many things we did that gave us a good laugh later on. I will miss you and I will cherish your love and friendship forever. Rest in peace my dear and precious friend, until we meet again for you know that when we do, there will be no peace in Heaven. I will always carry you in my heart. Your friend always, Terry (with a "y").

“ We have known the Sancilio's for 47 years... We have traveled to Italy together and have vacationed together many summers...Our children are all about the same ages.. My family was just as broken up over Terri's death as we were... We found it difficult to accept their moving and now, accepting her passing on.. To the family, we send our deepest sympathy and love...She will always be remembered and loved
If you need anything, please let us know.....Love Rita & Jim Salvia
