“ *Diane,
Nothing I can say will assuage your grief as much as your loving memory of Tom and his great heart and love I know he had for you and your family. I know this because when I lost my Bonnie I felt as you must be feeling now.*

*Tom and I have been friends and co-workers of 40 plus years. I smile when I think of how we used to argue and laugh at work. He will be missed by all of us.

“ I remember the time we were shooting at chickens with the new aluminum bow that you guys had gotten.....and as most such undertakings by rascals, it did not turn out so well! Dorothy got a hold of us!

My condolences.
